Spring Turkey licenses will become available for purchase beginning March 1st. There will no longer be a drawing process. Licenses will go on sale when applications become available. All purchased licenses will be printed and mailed out upon receipt of payment. If this does not allow enough time for the tags to reach you, please notify the licensing agent at time of purchase with different mailing or pick-up instructions to ensure that license reaches you in time. (Please note that ALL non-members and those ATMs that do not live in the 5-county Rosebud area must provide the Guide Service name and name of the guide you will be utilizing at time of purchase.) All licenses will be available on a first-come, first-purchase basis. If licenses are still available for purchase, a hunter may purchase one additional set of tags (two tags max).
